

Revd Kevin Dyke

My name is Kevin Dyke and I am the Rector of the Parish of Bottesford with Ashby and therefore an ex-officio foundation governor at St Peter's & St Paul's. I am married to Julie and have two grown up sons and my favourite pass time is riding motorbikes.

Before training to be a priest I was a Civil and Structural Engineer for 27 years, living in Scunthorpe for all of that time but working all over Lincolnshire and the UK, as well as further afield. For the last 15 years of my life as an engineer I was a Director of an engineering consultancy business based in Lincoln.

During my time as a curate in Gainsborough (prior to me taking up the post of Rector in Bottesford with Ashby) I particularly valued the times I spent in the local Primary School and interacting with staff, pupils and parents there. I am committed to being a part of the governing body here, ensuring that the youngsters who come to this school are given the best education possible and are encouraged to develop and flourish as individuals.
