## **2. Defining Equality and Diversity**

### **2.1 Equality**

Equality is about fairness and equality of opportunity and advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people

may need extra help or adjustments to be part of the school community; this includes teachers, administration, cleaning or catering staff employed at the school as well as pupils/ students, parents and school governors.

Relating to the Equality Act there are nine 'protected characteristics' these are age; disability, gender reassignment [transgender], marriage / civil partnership, pregnancy / maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise 'due regard' in respect of each of the eight protected characteristics (excluding marriage and civil partnership) to:-

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity
3. Foster good relations between different groups

## **2.2 Diversity**

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

## **3. Purpose and Scope of the Policy**

This policy sets out St Peter and St Paul CE Primary School's commitment to promoting equality and diversity.

We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

At St Peter and St Paul CE Primary School we:

- Believe all should have equal access to opportunities, regardless of ability, age, gender, disabilities, racial or ethnic group.
- Provide a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Celebrate the diversity of our world.
- Respect the religious, spiritual, cultural, and moral values of others' and encourage everyone to consider thoughtfully their own attitudes, values and beliefs.

- Provide an atmosphere of harmony, respect, and safety while maintaining a relentless focus on academic rigor.
- Aim to make the best possible provision for all pupils, regardless of disability, ethnicity, culture, religious belief, national origin or status, gender or sexual orientation.
- Respect diversity. We know that treating people equally is not simply a matter of treating everyone the same. At all times we take the necessary steps to ensure that every pupil is given an equality of opportunity to develop socially, to learn and to enjoy community life. This means that we do our best to make reasonable adjustments for disability, recognise and celebrate cultural differences, and understand the different needs and experiences of boys' and girls'.
- We believe that all children may be disadvantaged by the holding of prejudicial views, and seek to promote good relationships between all groups, and positive attitudes towards disabled people, people from different ethnic or cultural groups or faith backgrounds, and people of different gender or sexual orientation.
- Value staff for their ability and potential to help us make the best possible provision for the children in our school, regardless of disability, ethnicity, culture, or religious belief.
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Monitoring and reviewing this policy and reporting annually on progress in the information we publish to evidence how we are meeting the requirement of the public sector equality duty.
- Publishing and reviewing our equality objectives (and reviewing them at least every four years)
- Undertaking other activities and measures as outlined in this policy document, our published information and other relevant documents.

The policy applies to:

- School governors

- Parents
- Pupils (as appropriate)

#### **4. Roles and Responsibilities**
