### **NATIONAL NUMBER DAY**

We will be supporting the NSPCC by joining in with National Number Day on **Friday 2nd February**. This will be an opportunity to take part in fun maths activities in school, while raising some money for a great charity. To get started we are challenging each class to bring in as many different amounts of money as possible, using loose change. More details to follow soon!

### **HEALTHY ME – DAY 2**

Dan would like to say thank you to all the children and families for collecting healthy food labels. Each class has done a fantastic job and should be really proud of themselves. The winning class collecting a superb 100 healthy food labels was Year 3 GE – well done!

### **INTER FAITH WEEK**

Week commencing 22<sup>nd</sup> January will be inter-faith week in school, where classes will be learning about different world religions, visiting places of worship and having visitors into school to talk about their religion and faith. There will be lots of exciting and interesting activities for the children to take part in and parents are all invited into classes on Friday 26<sup>th</sup> January at 2.30pm to find out what the children have been learning about that week. We hope you can come along. The week will begin on the Monday with children learning about British Values, come along to worship on Monday morning to find out more.

### **FAMILY INFORMATION DIRECTORY**

**<https://familydirectory.northlincs.gov.uk/>**

As well as helping families to find registered childcare, the Family Information Service maintains a vast and varied database of local and national support services which it uses to signpost families to the support they need. North Lincolnshire Family Information Directory website allows you to find local and national services and organisations, who can help you find advice and support. If you can't find the support you need on the directory then you can call on 01724 296629 and they will find the information for you. Early in 2018 information will be moved that north Lincolnshire holds on childcare providers to the directory so that families have all the information they need in one place and available to them 24/7 and 365 days of the year.

### **PARKING PROMISE**

Just a reminder of our Parking Promise, to keep our children safe, as we have had a near miss in the last week. There is copy in the school foyer if you would like to remind yourself. Many thanks.

### **SUMDOG**

All children in school have recently been given Sumdog log-in details by their class teacher. Sumdog is a fantastic way for the children to improve their confidence in maths; as they play games their confidence increases as does their ability in maths. One of the great features of Sumdog is that it personalises questions for each child, making the questions harder or easier to match the needs of your child. Teachers will also be using Sumdog to track the progress of your child. We know your child will love playing, log in with them at home and have a look.
