

### Geographical, Historical, and Social Understanding

As historians, we will be focusing on the 'Great Fire of London'. We will be looking at events of the past and how/why the fire started. We will compare how it was handled back then to how we deal with fires in our time.

As geographers, we will be using NSEW to describe maps, landmarks and other places.

### Understanding the Arts

As artists, we will be learning how to mix different coloured paint, what the colour wheel is and how to use different brush strokes. We will be looking at artists such as - Mondrian and Picasso.

### PSHCE

We will be exploring relationships and how they affect our emotions. We will explore negative relationships and how to deal with these respectfully.

### Enrichment

We will visit Morrisons' bakery, work with the Fire Brigade and visit the emergency services museum - Sheffield.

## UP IN SMOKE.

### Learning Essentials

This term we will develop our numeracy and literacy skills.

As Mathematicians, we will be securing our knowledge of the four operations (+ - x ÷).

We will also work on shape, measure, statistics and fractions.

In Literacy, we will be becoming more confident writers by learning spelling strategies, grammar and basic punctuation.

We will be reading books and using them as stimulus to write in different genres - fiction, non-fiction and poetry.

### PE

This term we will be focusing on gymnastics skills and team games.

**Please bring kit on Monday and take home for a wash on Friday – PE days may change.**

### Science, Design and Technology

As technologists, we will be using our textile skills to sew. We will be designing, using sewing skills and creating work by joining different materials together.

As scientific enquirers we will be looking at plants. We will be identifying different plant types, growing plants and learning about the best growing conditions.

In Computing, we will be increasing our knowledge of the SMART rules for keeping ourselves safe online as well as investigating a range of tools for drawing and creating on a computer. We will be learning how to take and edit digital images and creating our own animations for you to watch later in the term!

### Religious Education

We will be learning what Jewish people believe and identifying some beliefs and stories that are important for Christian people too. We will be learning about Abraham and Moses and their importance for Jewish people. We will look at what happens at Shabbat time and learn about its importance to Jewish people.
