

LKS2 Home Learning Tasks Summer 1, 2018 Which ones will YOU choose?		
TASKS	These tasks are linked to your child's learning journey at school. If you do any other work please feel free to share it.	
Spellings and reading	<i>Please practice your spellings in your home learning book – find their meanings or write them in a sentence. Read 3-4 times at least a week and record it in your reading diary. Or in the back of your home learning book.</i>	
Maths	<i>Practice your times tables. Learn 2d and 3d shapes draw them, and list their properties.</i>	
Literacy	<i>Write an information text about an animal that lives in the jungle or rainforest.</i>	
Topic	<i>Can you research and find out about the jungle. Where are they? What is different about them?</i>	
Science	<i>Research the human body. Can you name some of the human bones? Or tell the differences between our skeletons compared to an animal?</i>	
Art/DT	<i>Draw, paint, or create – a jungle or rainforest picture. Look at the work of Henri Rousseau. You could use your sketching skills or create a 3d model.</i>	
RE	<i>We are focussing on Judaism. Can you find out 5 facts about the Jewish faith?</i>	
Computing	<i>Create a power point presentation on a topic you find interesting. You can email it to school to show us.</i>	
Other learning	<i>Take a look at the year group expectations given out at parents evening – work on something you are struggling to do and master it. Show resilience!</i>	

If you would prefer worksheets please see your child's teacher.
Your tasks need to be completed and handed in by Wednesday 6th June 2018
(after the holidays)

Green = 6 - all tasks Amber = 4 tasks
