

Home Learning Tasks Summer 2 2018 Which six will YOU choose? Reception	
TASKS	Need some support? Here are some ideas that may help you. Remember, you do not need to follow these. You might have better ideas, or want to focus on one aspect only.
Number	Can you write some number calculations? You could add (4+3=7) or subtract (5-4=1). Remember to find some objects you can count to help you.
Writing	Your Home Learning will be marked by your new teacher. Can you write a letter to them? Tell them the things you like and what you might need some help with. Make sure you impress them with your very best writing! You will find out who your Year 1 teacher is on Friday 22 nd June.
School Values - Forgiveness	What does forgiveness mean? Is there someone you are angry or upset at that you could forgive? Do you need to ask for forgiveness from somebody else?
Dance	We are working hard on the songs for our Disney performance – 'Be Our Guest', 'Under the Sea' and 'Circle of Life'. Can you make up a dance to a different Disney song? Practise in the summer then you can show Miss Tomlin and the new Reception children in September if you would like to!
The World	In September, Miss King is going to teach children in New Zealand for a year! Can you find out about New Zealand? Where is it? What animals live there? What should Miss King visit while she's there?
Tapestry	You will have access to Tapestry until the beginning of September. You can keep adding photos of your learning until then.
Other Learning	<i>What else have you been learning at home? Use your logins to access your Study zone or Sumdog accounts and try some of the great games on there.</i>

Your tasks need to be completed by Wednesday 12th September 2018 (after the holidays).

Please also remember to practise your child's reading rocket at home.
