YEAR 1 – 6 WOW DAYS

It has been great to see all the children and staff, dressed up and taking part in hands on practical learning linked to their new topics. We had some awesome 'super heroes', some 'vicious Vikings' and some wonderful costumes linked to the war. A great way to engage the children in knowledge and learning, with a day they will remember. Thanks for all your effort, and if you need support with these days please call in and see us.

BOOK SWAP FOR ADULTS

If you have been busy reading over the summer as an adult and have any unwanted books, we have a book swap basket in the school entrance, please leave any books there and feel free to come and take one home, to enjoy the read. Reading is great life skill, a brilliant way to unwind and helps us model the importance of reading to our children.

FRIENDS OF THE SCHOOL NEWS

The Friends of the School AGM will take place on Monday 24th September 2pm – 3pm in school, all welcome to come along and find out how you can help be part of the team, fundraising and supporting the children of the school. A huge thank you to everyone who helped last year, we all really appreciate the time and effort given. Firework event tickets will be going on sale via Parent Pay soon – keep an eye out!

NAME TAGS

We have had a number of children lose new school jumpers or cardigans or PE kit already. Could you please check you have put name tags on clothing and PE kits, and have a double check at home that you have the correct clothing. Thank you, we know how annoying it can be when new items go missing.

HARVEST FESTIVALS

Harvest Community Worships are coming up before half term, please check the diary dates and come along to join us if you can. This year we are supporting Scunthorpe Foodbank. Could we please have any donations of non-perishable goods the week before? Their top ten donation items are: tinned fruit, tinned rice pudding, tinned fish or meat, tinned tomatoes, tinned vegetables, tinned or mashed potatoes, fruit squash and jars of coffee.

SPELLING SHED

All children have been given passwords for our new online spelling system. Your children have been given weekly spelling lists to learn and this website supports you and the children to learn these spellings. When you log in there are stage buttons and a list button. The list button contains games to support the current spelling lists and the stage button contains all spellings required to be learnt in that year group. Rewards will be given in Friday's Celebration Worship for children using it the most.

BUILDING UPDATE

We had a meeting with the building contractors yesterday and all is going to plan, for completion in January 2019. You may have noticed work has started on the land next to school, as part of the extension we will be gaining a sports pitch which will be a great facility for PE, sport, local community use and outdoor learning for our children. Thank you for your support and patience with entry and exit to the school building during the extension work.
